If you're interested call: 847-949-9737, otherwise it will be recycled.

Emergency Phone at Beach Park

This has now been installed. It calls only one number, and may only be used for emergencies. Parents, please educate your children on its use.

Beach Park Fobs

They are not waterproof, folks. One tip was offered—put silicone around the seams

Speed Bumps

.....have been going in over the last week or so. You may have noticed!

Group Parties at Beach Park

Residents have been expressing interest in holding private parties at Beach Park. Accommodations are being made to facilitate this. To reserve a date and prevent conflicts, on the horizon is a form for you to fill out if you're interested. In the meantime, please call Board President **Greg Denny** at **847-566-8368**. There is a grill in the park, plus some garbage bins—kindly donated by **Laura Shifley**. Everyone using the park is required to clean up afterwards and leave the grill, particularly, in shape for who uses it next. "Private parties" does not mean other residents cannot use the park. You are simply requested to respect their space.

Pin # Consolodation

Greg Denny is working on this and will have some information shortly.

Oak Terrace Board Meetings

Meetings are held on the **first Wednesday** of each month (except for January and December) at **7:00 p.m.**, at the **Countryside Fire Department** on **Midlothian Road**, south west of **60/83**.

Turn west at that junction and you'll see the fire station on your left just beyond the shopping plaza. Enter through the side main door and take the stairs or elevator to the second level conference room. The building is handicap-friendly. All residents are warmly welcome.

Have you seen Chiquita?

Thursday, July 5, at 2:20 a.m., Ms. Chiquita, a twelve-year-old Chihuahua owned by the **Illings of Maple**, disappeared from their front yard when let out to relieve herself, after being confined to the house during the July 4 celebrations.

The **Illings** are understandably distressed, and hoping to be reunited with her.

Chiquita was wearing her collar with all the necessary tags. She's a friendly animal although might be scared right now.

Anything you can do to help find her would be greatly appreciated by **Jenny and Woody**. Please call them at **847-566-6097** if you have seen her or might have any idea of where she could be. Thank you.
