

# The Acorn est 1996

## Oak Terrace Neighbors

After a 4 year hiatus, we are happy to announce the re-circulation of 'The Acorn' newsletter in paper format. As many of you may remember, Ann Sipowicz originally created this newsletter back in the 1990's as a way to bring the Oak Terrace community together. We hope to connect our neighbors once again by circulating and sharing Oak Terrace news!

'The Acorn' will be distributed on a monthly basis and will be posted on the wonderful new message board at the beach park, (Thank you to Dan Griffin for arranging this). An additional message board will be coming soon to the intersection at Elmwood/Lakeview/Hickory.

## Oak Terrace Improvement Association (OTIA)

Please join us at the monthly Oak Terrace meetings for up to date information, including but not limited to Beach park and rules, Diamond lake water reports, Lake/Watershed issues, Park/restoration information and association budget/finances. This is your opportunity to have an input and an ear in to what is happening in your Oak Terrace community. Meetings are held on the first Wednesday of every month at 7.00pm at the country side fire department on midlothian road, south west of 60/83. Turn west/left at the junction and the fire station is on your left just beyond the shopping plaza. Enter through the side main door and take the stairs or elevator to the second level conference room. The building is handicapped friendly and all residents are welcome and appreciated. The meeting minutes will be posted to the Oak Terrace website.

## SUMMERFEST 2018

It was a wonderfully hot Summerfest this year that kicked off with the annual fishing derby. Congratulations to Savannah Sample for coming in 1st place!

Once again the kids did a great job in the cardboard boat race. It was a close race but the deserved winner was Anastasia Zainchkovskaya (pictured). Congratulations to you and to Angelina Zainchkovskaya for 'Best in Show'!

A huge thank you to Colleen Hodges for organizing the event, Greg Denny for organizing the Fishing derby, Dan Griffin, Jim Loring and Rex Eaman for working the grill, Kevin Shiffley for compèring the Boat Race and to all those who helped to clean up after the event!
